

## QUALITY POLICY

Ovako strives to be the leading supplier of engineering steel in Europe. Our ambition is to provide our customers with leading product performance, the most sustainable offering, and consistent quality.

To achieve these goals, Ovako works closely with its customers to meet their current and future requirements. Ovako maintains a high degree of financial stability and is a long-term and low-risk partner to its customers.

Our ability to deliver on our goals is founded on stable and reliable processes. Ovako implements continuous improvements and monitoring to ensure excellence in all our processes. Each employee is responsible for the quality of their work and is encouraged to contribute to improvements in processes and quality.

This policy was approved by Ovako's Board of Directors on February 21, 2024.
